

THE DURBAN PREP EXPERIENCE

Est. 1910

Sport and sportsmanship; academics and culture; discipline and support - these are the pillars of DPHS. From the nerves of Grade R to the emotions of the final Grade 7 bell ringing ceremony, our school is focused on the journey of our boys and their lives thereafter, where better fortune is sure to follow.

WHY DPHS?

With 110 years of quality education and a reputation for excellence, Durban Preparatory High School (DPHS) is a boys' preparatory school steeped in tradition, where progressive thinking equips our young boys to meet the challenges and opportunities they face in this ever-changing world.

"Durban Prep (DPHS) is a place where I learnt the meaning of pride, dedication, sacrifice and hard work and a place that instilled within me many of the values that still govern my life today."

Alistair Hargreaves
Springbok rugby player
